EVENT SPONSOR:

Ms. Kervin is responsible for obtaining approvals and negotiating requirements with all third parties associated with the project. She is also responsible for all property acquisition, permits, and approvals to allow the project to proceed. Ms. Kervin manages all stakeholder communications and community relations for the project. During her career, Ms. Kervin has worked in both the private sector and government. She has been with the TTC since 2009.

The Toronto-York Spadina Subway Extension (TYSSE) is an 8.6km extension from Downsview Station northwest, through York University within the City of Toronto, and north to the Vaughan Metropolitan Centre in The Regional Municipality of York. This \$2.6B project includes six new stations. Environmental assessment reports were filed in 2007 and construction is well underway. Subway service is scheduled to commence in Fall 2016. The project features the use of tunnel boring machines and cut-and-cover construction methodology. Come out for an interesting presentation on this significant infrastructure project.

Tickets are available online. Seating is limited. Be sure to reserve a seat by April 15, 2013 so you don't miss out on this special event!
