

TORONTO SECTION – YOUNG PROFESSIONALS (YP) EVENT

EVENT: **A Young Professional's Survival Guide**
Presentation by Mark Bruder of R.V. Anderson

DATE: **Thursday April 10, 2014**

TIME: **7:30 p.m.**

LOCATION: **Ryerson SHE 660** (Sally Horsfall Eaton Center, 99 Gerrard St. East, on the intersection at Mutual street)

COST: **None**

TOPIC:

The transition between school and industry can be a challenge. This presentation covers valuable information on making a successful transition, understanding the engineering business environment, and tips for advancing your career during your Engineer-In- Training years, and beyond. Mark draws his lessons from his experience in consulting engineering.

SPEAKER:

Mark Bruder P.Eng

Mark Bruder is a structural engineer, associate, and shareholder at R.V. Anderson Associates with nearly 6 years of experience in civil engineering projects including infrastructure in the fields of water, wastewater, municipal, and urban development. His experience includes site inspections, shop drawing review, 3D Modeling, CAD drafting, structural analysis with a variety of software programs, and structural design with steel, aluminum, and concrete. A notable project is the design and drafting of foundations for the giga roller coaster Leviathan+ at Canada's Wonderland

NOTICE

Please get in touch with the CSCE Toronto Section YP Committee Chair, George Crouch (george.g.r.crouch@gmail.com) if you would like to be more involved in CSCE YP activities.
