<b>COST:</b>	<b>CSCE Members:</b>	<b>\$25</b>	<b>CSCE Student Members:</b>	<b>\$5</b>
	<b>Non-CSCE Members:</b>	<b>\$35</b>	<b>Non-member Students:</b>	<b>\$15</b>

**SPEAKER:** Matti Siemiatycki, PhD. Urban Planning,  
Associate Professor, University of Toronto

Professor Matti Siemiatycki will present an overview of Public-Private Partnerships for large infrastructure projects focusing mainly on the Canadian experience. His presentation will highlight:

- Infrastructure finance and delivery systems
- The current trends in Infrastructure investment
- The need for alternative delivery and financing systems
- The use of Public-Private Partnerships systems in Canada
- Example Projects

### **ABOUT THE SPEAKER:**

Matti Siemiatycki is an Associate Professor at the University of Toronto where he conducts research on several aspects of Urban and Regional Planning. His research primarily focuses on Transportation policy and planning, Infrastructure finance and delivery and Community and regional planning.

He has a Bachelor of Arts, Geography from Ryerson University, a Masters of Applied Sciences in Nature, Society & Environmental Policy from Oxford, and a PhD in Urban Planning from the University of British Columbia
