MODERATOR/EXPERT: Murtaza Haider, Ph.D.
Associate Dean, Ted Rogers School of Management

MAYORAL CANDIDATE DISCUSSION DETAILS:

With the current City of Toronto Municipal election campaign ongoing and the vote fast approaching, the Canadian Society for Civil Engineering Toronto Section, together with the Ryerson Institute of Transportation Engineers, has organized a City of Toronto Mayoral Candidate Transit Plans Discussion. An invitation for this event has been sent to all City of Toronto mayoral candidates to attend or send representation to present their transit plans. The candidates transit plans which will then be discussed and critiqued by our experts.

ABOUT THE EXPERTS:

Murtaza Haider, Ph.D., is an associate professor at the Ted Rogers School of Management, Ryerson University. He is also the Director of the Institute of Housing & Mobility. Professor Haider holds adjunct professorship of engineering at McGill University and the University of Toronto. His research focuses on housing markets, urban infrastructure development, transport, and logistics management.

Joseph Chow, PhD, P.E., is a professor at Ryerson University. His research includes transportation planning, network modeling, travel demand and behavior, freight and logistics, urban operations research, transport economics, sustainable infrastructure management, traffic operations and control.

Any views and opinions of the experts and/or candidates are solely the opinions and views of the experts and/or candidates. These views and opinions do not necessarily represent those of the CSCE Toronto Section, and/or any/all CSCE members.
