

The CSCE Toronto Chapter, and the ACI Ontario Chapter Presents...

CANADA'S INFRASTRUCTURE REPORT CARD

Focus

The Report Card provides comprehensive, scientifically based, and standardized information on the inventory, condition and asset management practices of Canada's core public infrastructure. It is intended to assist policy-makers, asset owners and managers in their infrastructure asset management, planning and decision-making.

Presented By

Reg Andres - Current President of the CSCE and Chair of the Project Steering Committee for the development of the first National Report Card on Canada's Infrastructure.

— AND —

Nick Larson - Chair of CSCE's Infrastructure Renewal Committee and was involved in the development of the first Canadian Infrastructure Report Card.
